COMMISSION ON ELECTION CONTRIBUTIONS & EXPENSES

We extend our sincere thanks and deep appreciation for your service to the people of this Province during your term of office as

Chairman of the Commission, serving continuously since its inception in May, 1975 up to the present time.

The qualities which you brought to the Commission will be sorely missed -- your leadership, your integrity, your intelligence, your fair play, and, not least, your ability to calm troubled waters. Your wise counsel was invaluable in helping us overcome the problems we have faced as a Commission over the years.

It is with great regret that we, your colleagues on the Commission, receive your resignation. It has been a privilege for us to work with you and be associated with you. As you leave us, you leave behind a Commission which is respected and has been emulated across Canada -- a result achieved to a high degree because of your abilities and leadership.

Our best wishes go with you for the future.

March 22nd, 1983.

The Honourable John M. Turner, M.P.P.,
Speaker of the Legislature,
Room 193, Legislative Building,
Queen's Park,
Toronto, Ontario.

Dear Mr. Speaker:

I have the honour to submit the Eighth Annual Report of the Commission on Election Contributions and Expenses, which covers the year 1982.

This report is submitted pursuant to Section 4(2) of the Election Finances Reform Act.

Yours respectfully,

Barbara Sullivan

BS/mm
Encl.

Barbara Sullivan,
Vice-Chairman.

The Election Finances Reform Act enacted by the Legislature of Ontario on May 7, 1975 had two main objectives: first, to limit the amount which any person, corporation or union might contribute to any political party or its candidates and thereby remove the possibility that any government or party could be influenced in its policies by wealth; and second, to provide for disclosure to the public of those who contributed to all parties and the amount of their contributions.

The Act furthermore provided for the establishment of a Commission to be known as the Commission on Election Contributions and Expenses to administer the requirements of the Act and report annually upon the affairs of the Commission to the Speaker of the Assembly.

The Commission, in its Eighth Annual Report prepared pursuant to Section 4(2) of the Act and covering the calendar year 1982, would like to advise that the main objectives of the Act, the encouragement of greater public participation in the democratic process, the limitation on contributions as to source and amount, reporting and publicity, are being achieved.

The eighth year of the Commission's operation has seen changes in the Commission membership; the expiration of the term of appointment of Mr. Arthur A. Wishart, Q.C. as Chairman on May 31, 1982, the appointment of Mr. James A. C. Auld as Chairman on June 1, 1982 and his untimely and sincerely

regretted death on June 30, and the appointment of Mr. Warren R. Bailie as a Commission member by reason of his appointment by the Legislature on April 2, 1982 to the position of Chief Election Officer of the Province of Ontario.

Arthur Wishart's appointment as the first Chairman of the Commission was one which was endorsed by Members of the Legislature, and it was under his capable administration and guidance that the Commission met its statutory responsibilities commencing at the outset with the calling of a General Provincial Election on August 11, 1975, through to the present.

Following the death of Mr. James A.C. Auld on June 30, 1982 the responsibilities of the Chairman's office have rested with the Vice-Chairman, Mrs. Barbara Sullivan.

Although the Commission was established in the first instance to ensure compliance with the requirements of the Election Finances Reform Act, the Legislature enacted an amendment to the Legislative Assembly Act (Section 11) on December 12, 1978 which gave the Commission the additional responsibility to review each year the Indemnities and Allowances of Members of the Assembly and to make recommendations regarding these in the form of a report to the Speaker of the Legislative Assembly. We will be reporting on this additional responsibility later in our report.

Work of the Commission in the early part of the year entailed finalization of all matters relative to the 1981 General Election held on March 19, 1981 and an extensive communications program with the registered constituency associations and political parties to ensure full and timely filing of the 1981 audited annual statements on or before the deadline date of May 31, 1982.

During the year, the Commission was involved in the review of the 1981 annual audited statements filed by the constituency associations and political parties, an appearance before the Legislature's Standing Committee on Procedural Affairs, a review of recommended amendments to the Act, the determination that the campaign surplus or deficit of candidates in the 1981 General Election were resolved in keeping with the requirements of the Act, and election campaign activity associated with the Lieutenant Governor's issue of Writs calling for By-elections in the electoral districts of Hamilton West on June 17 and York South on November 4.

The Municipal election activity late in the year received the Commission's attention when it was asked to determine the propriety of contributions being solicited for municipal campaign purposes with the promise that the contributions were eligible for the Ontario Political Contribution Tax Credit.

The Commission issued a guideline indicating that it was the opinion of the Commission that contributions solicited for

Municipal campaign purposes are not considered contributions for purposes of the Election Finances Reform Act and that receipts issued in acknowledgement of the contributions are not eligible for the deductions allowed under the Income Tax Act and the Corporations Tax Act of Ontario.

GENERAL ELECTION ACTIVITY

The Commission gave its consideration to the approval of the remainder of the audited statements of campaign period receipts and expenses filed by political parties, constituency associations and candidates registered with the Commission at the time of the 1981 general election (March 19, 1981).

The financial statements reviewed and approved included 99 of the 436 candidates registered for the general election, 240 of the 412 registered constituency associations and the campaign period statements of the seven registered political parties.

Following approval by the Commission of a candidate's campaign return which reflects a campaign surplus of funds, the Commission must ensure that there is compliance with the requirements of Section 45(5) of the Act, namely, that the surplus funds are paid over to "one or more registered parties or constituency associations".

Although there is no specific reference in the Act

regarding the responsibility for the resolution of a candidate's campaign deficit, the Commission must ensure that a candidate's campaign debts are resolved in keeping with the contribution limitations provided by Section 19 of the Act.

From our examination of 1981 campaign period and annual statements filed by constituency associations and political parties and correspondence received, it has been determined that the majority of the candidate campaign surplus and deficit situations have been resolved satisfactorily. Resolution of the remainder is being pursued by Commission staff.

The following statistics will indicate in part the extent of the work involved:

Registered Political Party	No.of 1981 Candidates	Number with a Reported Surplus		Deficit	
			$		$
Progressive Conservative	125	94 -	648,003	30 -	107,373
Liberal	125	73 -	243,959	52 -	186,005
New Democratic	125	72 -	281,702	28 -	106,477
Communist	18	3 -	530	-	-
Libertarian	12	5 -	1,650	1	1
Unparty	1	-	-	-	-
	406*	247	1,175,844	111	399,856

Note: *There were 48 candidates of registered political parties and 30 Independent candidates that reported neither a campaign surplus nor deficit.

1981 ANNUAL RETURN ACTIVITY

Although a comprehensive program was carried out early in the year to urge each chief financial officer of a constituency association and political party to deliver the 1981 audited annual statements on or before the May 31st filing date stipulated in Section 42(1) of the Act, the chief financial officer of 72 of the 414 registered constituency associations and one of the seven registered parties failed to file the annual statement by the deadline date.

Since, in each instance, an apparently valid reason for the late filing of the 1981 Annual Return has been given, the Commission has not given its consent to the prosecution of any of the persons involved, although the Commission is required by Section 4(1)(g) of the Act to report any apparent contraventions to the Attorney General. In each case, however, the Commission has sent a letter reprimanding the officials responsible for the late filing for their dilatory performance.

In examining the audited financial statements received there are instances where contravention situations came to the attention of the Commission staff and which, in accordance with Commission policy, the Commission staff seeks to have corrected to conform to the requirements of the Act.

The Commission policy is one of being administratively

helpful and one which is in keeping with the requirement of Section 4(1)(a) of the Act, namely, that the Commission shall;

> "assist political parties, constituency associations and candidates registered under this Act in the preparation of returns required under this Act".

Financial details assembled from the 1981 Annual Returns filed by constituency associations indicates that in the annual reporting period in 1981 constituency associations had receipts totalling $2,139,393 and expenditures of $1,517,083 - a net surplus of receipts over expenses of $622,310. Details are set forth in Appendix D of this Report. The surplus at December 31, 1981 of all constituency associations registered with the Commission totalled $1,143,790.

Similar details of political party financial activity in the 1981 Annual reporting period are provided in Appendix C.

In addition to the 1981 Annual Returns of constituency associations and political parties, the Commission received and approved the Annual Expenditure Reports of the Foundations established by the Progressive Conservative Party and the Ontario Liberal Party pursuant to the requirements of Section 40, as well as the ten remaining Trust Funds established pursuant to Section 1(4) of the Act.

REGISTERED POLITICAL PARTIES AND CONSTITUENCY ASSOCIATIONS

The number of registered parties remains unchanged from last year at seven, namely, the Progressive Conservative Party of Ontario, Ontario Liberal Party, New Democratic Party of Ontario, Communist Party of Canada (Ontario), Ontario Libertarian Party, Northern Ontario Heritage Party and the Unparty Party (Ontario).

The number of registered constituency associations remains unchanged at 414 as of December 31, 1982.

There are now 17 political groups seeking to register as political parties by the petition process.

None of the 15 political parties listed in the 1981 Annual Report as having received Commission approval of the Party name has submitted the completed petition required under Section 10(2)(d).

The list of the Commission approved party names changed in 1982 in that:

(a) the Right to Life Party of Ontario (RTL) withdrew its proposed registration as a political party because of the potential conflict with the charitable organization known as the Right to Life Association of Ontario and Area.

(b) there have been three additional political parties which have obtained Commission approval of the Party name and are seeking to register through the petition process:

(i) Christian Credit Party of Ontario
(ii) Multicultur(ism) Party of Canada (MTC)
(iii) World Wide Disarmament Party of Canada (WWD)

A full listing of registered political parties, approved party names and registered constituency associations are set forth in Appendices A and B of this report.

The work of the Commission staff following registration of a political party or constituency association is substantial and ongoing due to the frequent changes which take place in the executive of a party or an association. Any change requires the filing of a notice of such change with the Commission and the subsequent provision to newly appointed Chief Financial Officers of the Commission's "Guidelines for Chief Financial Officers" and a supply of official receipt forms when required.

One of the services provided by the staff of the Commission which is particularly appreciated by the volunteer sector of political parties is the provision to officials of registered political parties and constituency associations with clarification of, and instruction in, any requirement of the Election Finances Reform Act or the Commission's Guidelines. This is a priority of the Commission and we are proud to say that our operations are "user friendly".

AMENDMENTS TO THE ACT

In the administration of the Act, the Commission has determined that amendments to certain provisions of the Act should be considered by the Legislature and in keeping with the provisions of Section 4(1)(f) the Commission submitted its recommendations to the Speaker of the Legislative Assembly for the following amendments to the Act:

1. An amendment to Section 14 to require a party or constituency association applying for deregistration to file audited statements of Assets and Liabilities and Receipts and Expenses to the date financial activity ceased.

2. A revision in the earlier recommended amendment to Sections 24(3) and (4) to make it clear that all or any part of the ticket price paid for admission to a fund-raising event up to a maximum of $25 may be allocated to expenses and that portion of the charge not so allocated shall be considered a contribution.

3. An amendment to Section 4(1)(k) to require the publishing in a newspaper having general circulation in the electoral district of a summary of the campaign period receipts and expenses of the constituency association that supported a candidate, in addition to the present required advertising of a summary of the campaign period receipts and expenses and subsidy of each candidate.

4. An amendment to Section 45(1) to make it clear and consistent with the provisions of Section 45(4) that the public subsidy money to which a candidate may be entitled is to be paid to the candidate's chief financial officer.

These amendments are in addition to the amendments recommended in 1976, 1977, 1978, 1979, 1980 and 1981 that await the passing of the necessary amending legislation by the Legislature.

In our appearance before the Standing Committee on Procedural Affairs in September, we were gratified to hear that the Members of the Committee supported all of the Commission's recommended amendments to the Act.

A consolidation of the amendments recommended to date by the Commission is contained in the Standing Committee's "Report on Agencies, Boards and Commissions (No. 6) dated December 7, 1982".

The Commission urges that these recommended amendments be placed before the Legislature at the earliest possible opportunity.

1982 BY-ELECTIONS

During the year the Lieutenant Governor of the Province issued two Writs calling for by-elections: a Writ issued on May 10, 1982, calling for a by-election in the electoral district of Hamilton West with the polling day being held on June 17, 1982 and a Writ issued on September 27, 1982, calling for a by-election in the electoral district of York South with the polling day being held on November 4, 1982.

In each instance there was the anticipated initial flurry of additional activity related to the registration of the candidates

and the mailing of guidelines and official receipt forms to each candidate's chief financial officer.

A greater awareness of the requirements of the Election Finances Reform Act with respect to the time when commercial campaign advertising may commence and cease, along with the contribution limitations and other provisions of the Act, was evident in that no complaints were received regarding the campaigns of any of the candidates who ran for election, and telephone inquiries about the provisions of the Act were minimal.

The campaign period for the Hamilton West by-election ended on October 17, 1982. All four candidates registered for the election filed their campaign period statement of receipts and expenses before the filing deadline date of December 17, 1982. A summary of each candidate's campaign receipts, expenses and subsidy is detailed in Appendix G.

In the case of the York South by-election, the campaign period did not expire until March 4, 1983 (four months after polling day) and candidates registered for this by-election are not required to file an audited Campaign Period Statement of Receipts and Expenses until May 4, 1983.

Financial details of the campaign of each of the five candidates registered for this by-election will, therefore, be

reported at a later date.

THE LEGISLATIVE ASSEMBLY ACT

MEMBERS' INDEMNITIES AND ALLOWANCES

The responsibility was given to the Commission in December 1978 of making such recommendations as it considered proper with respect to the indemnities and allowances of Members of the Assembly and in respect of the salaries and allowances of Cabinet Ministers, Parliamentary Assistants and Party Leaders.

Reports were submitted by the Commission to the Speaker on June 14, 1979, December 12, 1979, March 26, 1980 and February 3, 1981. The Fifth Report, submitted March 5, 1982, recommended that the basic indemnity of Members of the Legislature, namely $30,000, be increased by nine percent thereof to a total of $32,700. The Legislative Assembly Act was amended to increase the annual indemnity of Members of the Assembly payable from April 1, 1982 to March 31, 1983 from $30,000 to $31,800 and, as well, the annual allowance for expenses of the Members of the Assembly was increased from $10,000 to $10,600. The Commission, in submitting its Sixth Report will follow the Government's Guidelines with respect to increases.

Upon assuming the responsibility for making recommendations with respect to indemnities and allowances of Members of the Legislature in 1978, the staff of the Commission embarked upon an extensive study and analysis of the remuneration paid to Members of various Legislatures, including the Federal Parliament and the Legislative Assemblies of the nine provinces of Canada, as well as those of Great Britain and several of the United States of America. The results of this study were published by the Commission in January 1982. The study, entitled "Parliamentary Pay Issues: A Framework for Discussion", has been widely distributed and well received. Requests for copies of the study have been received from libraries across Canada, the United States, Great Britain, New Zealand and Australia. The initial printing of three hundred copies proved insufficient to meet all requests, necessitating the printing of a further three hundred copies. It is expected that this study will continue to be of interest to those involved in the political process.

It has been previously reported that legislation regulating political financing is in effect for several Canadian jurisdictions and under review and consideration in others.

The Commission's Executive Director and Registrar attended the 1982 Annual Conference of Canadian Election Officials held in Whitehorse, Yukon Territory in July where the Agenda provided for discussion of various subjects in the field of

election financing. Attendance at the Conference affords our senior staff the opportunity to compare our legislation and procedures with that of the other jurisdictions, to become aware of proposed changes and to discuss mutual problems.

The Commission's awareness of the election financing and regulatory requirements in the United States was furthered through the attendance by the Commission's Legal Adviser at the Conference of the Council on Governmental Ethics Laws held in Columbus, Ohio in December.

We have continued our research and review of election financing legislation in force in the various Canadian and United States jurisdictions. In 1982 the Commission's Legal Adviser, assisted by two law students employed during the summer months, completed a review and study of the impact of Election Reform Legislation on Canadian jurisdictions. This study, entitled "Canadian Election Reform: Dialogue on Issues and Effects, December 1982", was published early in 1983.

The financial operations of the Commission for the calendar year 1982 were as follows:

NOTE: 1. The Nationalist Party of Canada submitted a petition which was rejected by the Commission at its meeting held December 13th, 1978. An extended examination of the petition failed to produce adequate information for the Commission to conclude that the petition met the requirements of the Act by the provision of 10,000 valid signatures in support of the petition. Unanimously, the Commission passed the motion that:

> "The petition for registration of the Nationalist Party of Canada be rejected, further that the letter from the Chairman advising the Nationalist Party of Canada that its petition had been rejected contain a summary of the Commission's findings with respect to the validity of the petition".

New petition forms were supplied to the Nationalist Party of Canada March 16th, 1979.

2. The application of The United Party of Canada was considered at the Commission meeting held on September 24th, 1980 and although the application was not rejected, it was pointed out that if a valid petition was received from the Unity Canada Party, the Commission would not register The United Party of Canada pursuant to the provisions of Section 10(5). No petition forms have been provided to the Party officials and the Commission has not heard further about the proposed registration.

3. The Right to Life Party of Ontario (RTL) received Commission approval of the party name per their application dated November 2nd, 1981. After consideration and because of potential conflict with the charitable organization known as the Right to Life Association of Ontario and Area, they withdrew their petition application for political party registration under date of January 28th, 1982.
